

AeroTek Environmental Policy

AeroTek Manufacturing Ltd. is dedicated to the practice of sound environmental stewardship and promotion of health, safety and well-being of our stakeholders. These values originate at the company's top management and are emphasized through all levels of responsibility within the organization. As such, the Company agrees to:

- Meet or exceed all applicable federal, provincial, local and company environmental, safety and health standards.
- Provide a workplace free of recognized hazards and maintain healthy working conditions for all company employees.
- Closely monitor the facility for prevention of pollution.
- Participate in recycling to the greatest practical extent to reduce impact on landfills and promote recovery of valuable resources.
- Convey to our customers, industry associates, vendors and the general public our strong environmental, safety and health commitment.
- Strive to continuously improve our commitment to the above-stated principles through exercise of our Environmental Policy Statement, improved technology, production changes and due diligence.
